MEALS

Breakfast and lunch for students will be available at specified times for the next four weeks (March 17, 2020 through April 9, 2020)

Spring Break will run from April 10-April 17th.

***Grab and Go breakfast and lunch will be served from 8:30 AM to 10:30 AM Monday through Friday**

All food is to be consumed off-site. Each child may take one breakfast and lunch

EXTENDED SCHOOL SERVICES

ASES will remain closed through Friday, April 10.

LEARNING SUPPORTS

While your student is at home, he/she can choose to take advantage of many of the open access online resources available on our district website: www.seeleyusd.org. If they know their passwords, students can also access their personal online curriculum with Renaissance Learning, iReady, Read Live, etc. These are also linked on the district webpage.

IMPORTANT HEALTH REMINDERS

While your student(s) remains home, we encourage you to continue practicing good hygiene, which includes:

- Wash your hands often with soap and water for at least 20 seconds. If soap and water are not available, use an alcohol-based hand sanitizer.
- Avoid touching your eyes, nose, and mouth with unwashed hands.
- Avoid close contact with people who are sick.
- Cover your cough or sneeze with a tissue, then throw the tissue in the trash.
- Clean and disinfect frequently touched objects and surfaces.
- Get vaccinated for the flu if you have not already

If you feel for any reason your child may have or has been exposed to the novel coronavirus, please contact your doctor immediately. Virus symptoms can range from mild to severe and could include fever, cough, and shortness of breath. Symptoms may appear in a few as two days or as long as 14 days after exposure.

CONTINUED UPDATES

We will remain in close contact with the Imperial County Office of Education and local public health officials throughout the duration of this closure and will provide updates to families as appropriate.

We encourage you to stay informed of the situation by regularly checking updates from [Imperial County Public Health Services](#) and the [Centers for Disease Control \(CDC\)](#).

We understand this is a time of uncertainty and concern. We will work through this together to keep our students, families, and staff safe.

If you have health-related questions, please contact your personal physician. For ongoing updates regarding SUSD reopening, please continue to monitor your mail and the SUSD website at www.seeleyusd.org/. Thank you for your cooperation and support.

Sincerely,

Andrea Ellis
Superintendent/Principal
